Palm Sunday | Who is this King?

Turn to page 00 using the church Bibles.

Big Idea:

Jesus is the king we desperately need, even if not the king we would expect.

1. We need his sovereignty – honor his commands.
(19:28-34)

2. We need his humility - herald his coming! (19:35-40)

3. We need his peace - heed his terms! (19:41-44)

4. We need his cleansing - hear his priorities! (19:45-48)

APPLICATION –

HEAD – What does God want you to understand from this passage of scripture? Using your sermon notes, identify and explain in your own words the main point of what these verses are teaching. Was there anything you didn't understand?

HEART – As this truth was preached on Sunday, how was God moving in your heart? (*Examples - Did he bring conviction? Did he cause celebration? Did he call you to any acts of obedience? Did he clarify something that you need to actively believe?*)

Are there any themes that you noticed in the sermon that the Lord has also brought to your attention recently as you encounter his truth (Prayer, Bible reading, books, conversations with other believers, etc.)?

MOUTH – What will you share about what God was doing in your head and heart that will encourage and edify your brothers and sisters at Gospel Community and/or in other meaningful relationships? (**Note:** this is not a discussion question for GC, but is meant to sharpen your Gospel Community sermon discussion.)

HANDS AND FEET –

Relying on the Spirit, what will you do to act on what the Lord was doing in your heart?

How will you disciple someone else in their dependence on and devotion to Jesus in light of these realities? Who will this be?

When will you do this?
